**Your report will be kept on file for 30 days. We encourage you to visit the shelter in person (you know what your pet looks like better than anyone) and keep us updated on the status of your animal. If you find your animal other than through us, please call us to remove your report.**

---

For Staff Purposes Only:

1. With any lost report, please check the address lost, description of animal including breed to determine if more detail is needed, and make sure the phone number is legible.
2. Go through the "Tip Sheet" with the person and send a copy with them.
