

Meet Becca! She is a sweet nine year old gal who loves affection and also appreciates a quiet place to relax. She can be a bit shy at first, but it does not take her long to warm up. Becca is happy being independent and can get a bit nervous if there is too much loud activity going on, so she would do best in a mature home or one with respectful children. She has lived with and seems to get along well with other cats, but has never lived with a dog. If you are looking for a sweet kitty that loves affection, but would be perfectly happy relaxing on her own at times too, Becca might be the new best friend you have been searching for!
