

We are looking for an active dog who will join us on hikes and bikes around Bozeman! We don't have any other pets so our new dog would be the center of attention. We do not have any other pets.

We want to adopt a kitty who will play with our two young children! We have a big family, so we have lots of people who can teach our new friend how to use the litterbox.

We are looking for an older cat to share our quiet and cozy home. We do not have any other pets, so our new companion could have all of our attention if she wanted!

I love cats! I am looking for another friend who will keep me company all day and night. I already have two cats and my favorite thing to do is cuddle with them on my couch.

We are very active and social and we're looking for a doggy friend to join our family! I work as a dog trainer so I know how to compassionately teach pets.

We live on a farm and love to take long walks around our fields. We would love an older dog to keep us company!
